Living the Life that is Ours in Christ

After being widowed 14 years ago, Renée began to search for counselor training to "help" others in need. What she found through the Association of Exchanged Life Ministries at Grace Life International was inner healing, hope and help for herself.

She began to understand that her ministry would only flow from the healing of her own heart. That truth is at the center of what Renée desires to impart to all she meets, counsels, teaches and trains. Renée has been on staff at GLI for 12 years. She lives in Blythewood, SC and has 2 married children and 5 grandchildren.
